LGCS Amendments to SUAT E Safety Policy (see also staff Code of Conduct section 10)

1. At LGCS pupils are not allowed to use or have mobile phones in school unless permission has been given in exceptional circumstances by the Principal or Vice Principal.
2. All adults should:
 - not make or receive calls on their personal phones during teaching time/contracted hours. If there are extreme circumstances (e.g. acutely sick relative) the member of staff will have made the Headteacher aware of this and can have their phone to receive an emergency call.
 - only use personal phones in non-contact time when no children are present in a designated area of school.
 - use the mobile phone provided by the school if emergency contact is needed to be made when children are present. This phone is a basic model and therefore cannot be used to access the internet or record images.
 - keep phones safely locked away out of sight of children (e.g. in a drawer or locker away from the children) at all times during teaching time/contracted hours.
 - never use phones to take photographs in the school building or grounds of children, staff or school environment or to store their personal data.
 - ensure the use of mobile phones on outings is included as part of the risk assessment. (For example, how to keep personal numbers that may be stored on the phone safe and confidential.)
