Reception Curriculum Overview

SUBJECT	Block 1		Block 2		Block 3	
Topic	 <p>My World, My Journey</p>	 <p>Power Up!</p>	 <p>Times Gone By</p>	 <p>Farm to Fork</p>	 <p>Wildlife Wonders</p>	 <p>Seaside Adventures</p>
Project overview	In this project, your child will explore their class environment and school grounds so that they feel settled and happy in their new surroundings. They will learn about the local environment and find out about places they have visited on holiday. They will look at and create maps for journeys.	In Power Up! your child will learn about technology that is part of their daily lives. They will explore various machines, learn about how machines help us and find out about how machines have changed and developed over time. They will learn about products that use electricity to make them work and explore magnetic and non-magnetic materials.	In the Times Gone by project your child will learn about their history and how they have changed from when they were babies. They will learn about their family history and heritage and find out what life was like when their grandparents were children. They will learn about what it was like to go to school in the past and how everyday objects, such as clothes, toys and vehicles have changed.	In Farm to Fork, your child will take part in practical activities to explore where food comes from. They will learn what seeds and plants need to grow and grow a variety of plants. They will explore what constitutes a healthy lifestyle, including eating fruit and vegetables, exercise and teeth brushing. They will find out about life on a farm and about baby animals.	In the Wildlife Wonders project, your child will learn about incredible animals that live worldwide. They will explore various animal habitats and compare the animals that live there with animals in their locality. They will learn how to care for pets and what all animals need to grow, survive and stay happy and healthy. They will explore animal features and find out how they survive in the wild. They will compare the ways that animals are similar and different.	In Seaside Adventures, your child will visit a beach and learn about animals that live in rock pools and on the seashore. They will explore days out at the beach and compare their experiences with beach holidays in the past. They will learn about the animals that live in the sea and find out about worldwide seas and oceans. They will explore the importance of looking after the environment to keep living things safe. They will learn about staying safe at the beach and find out about people who help us.
Fundamental British Values	Our Reception Curriculum promotes the Fundamental British Values of democracy, the rule of law, individual liberty, mutual respect and tolerance of those with different faith and beliefs and for those without faith, in order to prepare our children for life in modern Britain.
