Volume 08 'It's A Purple Thing!' Wednesday 24th October, 2018

Science Fun Day: Our next Parent Engagement Day will take place on **Friday 9th November**, and you are invited to spend the day working with your child based on 'Jobs Involving Science'. Please feel free to join us for as much or as little of the day as you can. The cost is £3 if you wish to have a meal with your child. Please pay and book via ParentPay on the service "**Adult Science Day Meal**". The payment must **NOT** be made on your child's account and must be received by **Monday 5th November**. No bookings or payments can be made after this date. Adults can bring a packed lunch if a meal is not required.

Please note on Friday 9th November Year 1 are going on their trip to Birmingham Museum.

Uniform Bank: Create Church ran a Uniform Bank in the 6 weeks holidays. It was a great success and they served over 200 uniforms to parents across Cannock for all different schools. They were also featured on regional and national news channels! As the demand has been so high since, they have made the decision to run the Uniform Bank every 3rd Saturday of the month until the 17th December from 9.30am-11.30am. Their address for Create Church is Create Community Hub, Stafford Road, Huntington (the road leading up the side of Blue Ginger Restaurant).

Poppies: If you would like to purchase a Poppy for Remembrance Day, please see the School Office. We ask if you can donate no less than 20p.

30 Hour Free Childcare: **If your child is already 3 or turns 3 this term, you may be entitled to 30 hours of free childcare from January 2018.** To apply please visit [www.childcareservices.gov.uk](http://www.childcareservices.gov.uk). Once you apply and if you are eligible, you will receive a code which you need to bring to the school office along with your NI Number. Please note it can take up to 10 working days for you to receive your code and you must re-apply every 3 months. **The closing date to apply is Monday 31st December.**

Important Advice: Flu spreads easily through nurseries and pre-schools, children then pass it on to their families and carers, meaning time off work for parents and sick leave for carers. The best protection is the flu nasal spray, which is why the NHS recommend it and are offering it for free to 2 and 3 year olds. It's not an injection it's just a quick and painless nasal spray, which helps to protect younger children and also to reduce the spread of flu to their family, carers and friends. For more information please visit [www.staffordshire.gov.uk/flu](http://www.staffordshire.gov.uk/flu).

**We break up for half term on Friday 26th October (normal time) and return to school on Monday 5th November.**
