SURVEY

Dear Parent/Carer,

As you may know, at Littleton Green Community School, we use a reading program called Accelerated Reader. The program is designed to help provide your child with the appropriate challenge of book in terms of difficulty and also a range of texts that will allow your child to make swift progress in this most important of skills.

However, I would like to know what parents understand about Accelerated Reader. I would therefore be grateful if you could complete the attached survey to enable me to review where we are at.

Many thanks.

Mr. Clarey

Reading Lead.
