

Sports Premium Action Plan 2018-2019 Allocation: £18,870

Strategy	Proposed Cost	Details	Success Criteria and Legacy
To promote a healthy lifestyle for all children	£10,000	A 300 metre walking track to be installed in school	Children in all year groups run or walk on track twice at least twice a week. Legacy: improved fitness level and wellbeing amongst children. At end of 2017-2018, 28 % of children in reception were overweight or obese. The proportion of Year 6 children who were overweight or obese (46.7%) is higher in LGCS than in most other schools across England (34%). Target is to reduce this by a third in each year group.
	£2088.55	Children to be introduced to new sports and supported on the mile track by designated lead adult	
Improved access to swimming facilities	£4000	Children receive a whole year of swimming lessons in Y3 (36 lessons) to be able to develop and deepen skills rather than 1 term (12 lessons) . Total cost of swimming = £6000. (Sports Premium pays for £4000) Non swimmers to receive a longer weekly session.	Increase the number of children in KS2 that reach minimum level of swimming required by national curriculum from 2017-2018 levels. In 2017-2018 40% of children attending swimming lessons achieved government targets for swimming. (69% can swim 25 metres and 33% attend out of school lessons.)
Children to participate in a wider range of sporting activities off site	£2500	Running Costs to support School Minibus and to supplement wages of drivers whilst supporting participation in school events.	Children in years 1-6 provided with opportunity to attend a sporting event offsite. Target = improve number of children participating in 2017-2018. Y1: 3.85% Y2: 8.62% Y3:100% Y4: 70.73% Y5: 72.55% Y6: 73.68% This will lead to increased self-confidence through representing the school
