Why is black British history so important? <https://www.bbc.co.uk/newsround/53109037>

During Black History Month, we will be spending time educating ourselves and our children about equality. To end racism, we must work together as a community. We need to talk to our children and educate them as Rights Respecting citizens of the world. As a school family we are all **UNIQUE**, we all belong, we are all equal and we are all important.
