Volume 20 'It's A Purple Thing!' Thursday 3rd February 2022

Well Done: We would like to say congratulations to Mrs Teesdale in Nursery on her completion of Level 5 Diploma for the Early Years Senior Practitioner Qualification and to Mrs Whitehouse on her completion of Level 3 Teaching Assistant Qualification. You are both Purple!

Number Day: We are delighted to be supporting the NSPCC again this year by taking part in Number Day tomorrow [Friday 4th February](#).

Everything the NSPCC does protects children today and prevents abuse tomorrow. By raising money, we can help to fund their vital services such as Childline - the helpline that is always there for children and young people whatever their problem or concern. On average, a child contacts Childline every 25 seconds.

We are having a fun day of maths activities and we will be taking part in Dress up for Digits. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for a suggested donation of £2 minimum, and we would love everyone in the school to take part in this special event. To make a donation please use this link:

<https://www.justgiving.com/fundraising/littleton-green>.

Virtual Parents Evening: On [Tuesday 8th](#) and [Wednesday 9th March](#), there will be an opportunity to speak to your child's class teacher online to discuss your child's progress. A link has now been sent to book your allocated time slot via Teachers 2 Parents. Please note there is limited availability for appointments. If you are unable to book an appointment, contact the class teacher to arrange an alternative. Ensure all appointments are booked by [Tuesday 1st March](#).

Red Nose Day-18th March 2022: We are raising money for Comic Relief! For us to order the required amount, we will be taking orders for red noses priced at £1.50 from [Monday 24th January](#) to [Monday 28th February](#). Children will receive their noses on [Friday 18th March](#). Please note: there will be no noses available to buy if they have not been pre ordered. Please send money in an envelope with your child's name and class on, to the class teacher. Thank you.

Survey: Loughborough University are carrying out a project to find out about how children are learning about money. We are inviting parents and guardians of children aged between 4 and 11 years old to complete a survey about children's experiences of handling money. The survey can be completed on any device with an internet connection and can be accessed here:

https://lborocmc.fra1.qualtrics.com/jfe/form/SV_0i8l9cBpYeINUvI

Research shows that levels of financial literacy are lower in the UK than in many other comparable countries. This survey represents an important step in our work to develop better ways to support children's learning about how to understand and manage money.

Fundraiser: A big well done to Lennon in Year 6 for shaving his head and donating his hair to the little princess trust! A big thank you to all that went to support him.

Lennon raised £3200. You are Purple!

Fit for Sport's: Ofsted Registered holiday camps offer families flexible and affordable childcare solutions through active multi-activity programmes within a safe, supportive, and fun environment.

We are proposing to potentially launch children's holiday camps at Littleton Green Community School in 2022 for Reception - Year 6 children.

To help us further understand local family requirements in the area, we would really appreciate you taking two minutes of your time to let us know what you think!
