Volume 19 'It's A Purple Thing!' Thursday 2nd February 2023

Bikeability

Last week, a group of Year 4 and 5 children participated in Bikeability. Year 4 aimed to achieve their level 1, while year 5 aimed to achieve their level 2. Year 4 learnt to maintain their bikes, control the pedals, balance on the bike and prepare to ride on the road.

They did this with Miss Sephton and the Bikeability instructors. A child, who participated, said, "It was really fun!". Year 5 learnt to start and stop confidently, discover the road and road signs and ride on the road with other vehicles safely. They did this alongside Mrs Whitehouse and the bikeability instructors. One of the children quoted, "I really enjoyed it because we learnt to ride our bikes safely". Mrs Whitehouse said, "The children really enjoyed developing their road skills. It was joy to see their confidence and ability grow". Thank you to all of the adults that contributed towards this and well done to our junior bikers!

Year 1 Prepare for their own Great Fire of London

This week, Year 1 have been learning about the Great Fire of London as part of their exciting topic 'Bright Lights, Big City'. The children have recreated their own amazing Tudor house models which are going to be burnt next week to recreate the significant event which happened in London in 1666. Last week, the children presented their own news broadcast reporting on the events of the tragic fire.

Well done Year 1!

Football Club

This week in football club (that Mr Clarey leads), the footballers have been practicing their positions and how to play in them. They are working towards a match in the future and are hoping to play for the school team and help to win the match.
