

Welcome to this week's newsletter which is brought to you by 'The News Kids'. School continues to be **POSITIVE** this week as we all enjoy our weekly learning - send in your pictures of how you have been **POSITIVE** this week (via dojo)!

Latest learning:

Year 4 - Redwood have been creating some fantastic bug hotels in their enrichment forest school activities with Miss Kelly - thank you to everyone who donated some resources to create them.

Year 5 - Have been learning how to control a simple circuit connected to a computer using 'Crumble'. The children were given the task to program an LED switch on and off using 'Sparkle' and succeeded in their challenge. "Well done!"

Year 6 - A massive **PURPLE** well done to year 6 for their positive attitudes towards their practice SATs this week. We are really proud of you all.

In school, we have introduced a positive way of moving around our learning environment. Ask your children about the **Safe**, **Smart** and **Silent** system. We are all trying really hard!
